Special ingredients and time are what goes into every bar of Dr. Mercola's creamy handmade soap. It takes nearly a month for master soapmakers in Vermont to handcraft each aromatherapy bar.

Only this handcrafted month-long labor of love will yield a bar suitable for the most sensitive skin. Enjoy this bar made from a meticulous blend of natural ingredients that will provide soothing and gentle relief to your dry and sensitive skin.

MADE IN THE USA

Directions: Take soap, add water and lather in your hands. Apply the lather to entire body, gently massage and rinse well.
